Presenter Mike Conger, TPO Staff

The Technical Committee recommends approval unanimously.

5. **West Knoxville Corridor (I-40/75) Study Presentation**

No action required

TDOT has started an effort to study, design, and prioritize improvements to the Interstate 40/Interstate 75 corridor west of Knoxville, from the I-40/I-75 Interchange in Loudon County to the I-640 Interchange just west of downtown. TDOT's 10-Year Project Plan, released in December 2023, identified funding for several projects along the corridor. Instead of treating those projects as isolated segments, TDOT plans to develop a holistic strategy for improving the corridor as a whole. TDOT staff and its consultants will provide a brief overview of the study and current status at this early stage with the intent of providing additional updates as the study progresses. A project website has been set up at: <https://www.tn.gov/tdot/projects/projects-region-1/west-knoxville-corridor.html>

Presenter Dexter Justis, Director, TDOT Region 1 Project Management and Brad Thompson, Vice President, STV inc.
