3. FHWA Performance Measures*

Motion to approve the Local Targets for the 2026 u2013 2029 4-Year Period of FHWA Performance Measures for PM3

FHWA instituted a requirement for Performance Measures and formal target-setting with the MAP-21 legislation in 2012. A new 4-year Performance Period (2026 - 2029) has begun for the measures under PM2 (Bridge and Pavement Conditions of the NHS) and PM3 (System Performance / Freight / CMAQ) categories with new targets being required. TPO staff developed local target options for each of the required measures under PM3 and coordinated with the Technical Committee at both a workshop and regular meeting to establish final values for Executive Board consideration.

Attachment #3a: Development of Local PM3 Targets for the TPO Region

Attachment #3b: Resolution for Local PM3 Targets

Presenter Mike Conger, TPO Staff

Technical Committee unanimously recommends approval.

4. **FTA Urban Area Transit Program of Projects ***

Motion to approve the Federal Transit Administration u2013 FY 2026 u2013Program of Projects

The Program of Projects (POP) is a list of projects, for each agency, to be funded with the Federal Transit Administration (FTA) Section 5307, 5310, and 5339 funding. FTA requires a public hearing on the POP. The POP public hearing is being held as part of the Executive Board meeting. Staff will update the Executive Board on the FY26 - FTA apportionments and the local distribution of funds. Because the TIP already has the 5307 and 5339 funding approved, the new funds and projects will be added to the TIP through internal modifications. If there are no changes at the meeting the POP will be considered final.
