WORKSHOP AGENDA

1. CMAQ Project Review and Prioritization (CMAQ Spreadsheet)
Criteria: (from TDOT letter dated Dec. 1, 2009)

TDOT will provide apportionment to projects based on the following criteria:

- First priority will be given to projects currently under development. The Department will provide apportionment to these projects subject to the following criteria:
 - a. Candidate projects must be submitted to the Department by **January 11, 2010**.
 - b. Submissions must include a realistic schedule that shows the project phase can be delivered for authorization by September 1, 2010.
 - c. Under development is defined as having submitted a NEPA document to FHWA as of September 30, 2009.
- Secondary priority will be given to projects *not* currently under development, the Department will provide apportionment subject to the following criteria:
 - a. Candidate projects must be submitted to the Department by **January 11, 2010**.
 - b. Submission must include a realistic schedule that shows the project phase can be delivered for authorization by September 1, 2010.

The Department will use the above criteria on both TDOT and MPO projects. CMAQ projects that cannot meet a delivery schedule in FY 2010 should be deferred to a later year.
