

Item 9

Update on Adjusted Urbanized Area and Metropolitan Planning Area Boundaries

PRESENTER: MIKE CONGER, TPO STAFF

ACTION: NO ACTION REQUIRED

Knoxville Urban Area 1990 – 2020

Next Steps

1 – Delineate “Adjusted Urbanized Area” (aka Smoothing)

- Complete in coordination with TDOT and subject to FHWA approval

2 – Delineate new “Metropolitan Planning Area”

- Must include entire urban area plus “additional area anticipated to be urbanized within the next 20 years”
- Seymour & Tellico Village - Potential Funding Allocations?

3 – Update Functional Classification

- Adjusted Urban Area determines urban/rural functional classification
- Opportunity to reassess all roadways for other needed changes/additions

Schedule Under Development – TDOT
Developing Guidance for Statewide Process,
initial Deadline of 12/29/2023 for Adjusted
Urban Areas
