

You are invited to a public discussion

PRESENTS

BUILDING SAFER STREETS – TOGETHER

Local activists and educators discuss how communities can collaborate on building more walkable, bikeable places

Light refreshments will be provided.

DATE: Thursday, May 23 **TIME:** Program begins at 6 p.m. Doors open at 5:30.

WHERE: Community Room at Pellissippi State – Magnolia Campus
1610 E. Magnolia Ave., Knoxville

KAT: Bus routes 31, 12, 30  **RSVP:** <http://tinyurl.com/ActiveKnoxPanel>

PANELISTS: DR. CHRISTOPHER CHERRY

Chris is a professor at the University of Tennessee. His research interests include

bicycle and pedestrian safety and system design; the role of e-bikes, micromobility, and other emerging technologies on the transportation system; multimodal transportation planning and economics; travel behavior and demand; sustainable transportation; and transit security.

TANISHA FITZGERALD-BAKER

Tanisha is the College & Career Access Team Leader for Project GRAD Knoxville. She is a founding member and current president of the Five Points Up Community Action Group, founding member of East Knox Lion's Club, member of the Eastside Sunday Market's planning committee, and serves on Knoxville's Public Arts Committee.

BRYAN WILLIAM HILL, AICP

Bryan is a certified community planner living in East Tennessee. Since nearly losing his life in a bicycle-automobile collision, he has made bicycle and pedestrian safety and connectivity a cornerstone of his career. He serves on Bike Walk Knoxville's Advisory Committee, the Broadway Corridor Task Force, and the UpTown North branding committee.
